

Taking the first step can be the most difficult.

Admitting you have a problem with drugs or alcohol is the first and most important step towards recovery, but if you need medical support to deal with your addiction, finding the best fit can be incredibly challenging.

Gatenby Criminal Lawyers can recommend the following clinics, which offer affordable and supportive inpatient rehabilitation for drug and alcohol addiction.

Taking the Next Step

A Guide to Rehabilitation

How to Take the First Step

Gatenby Criminal Lawyers can not organise or contact rehabilitation facilities for you. It is a requirement that you make those contacts yourself. We are happy for the Centre to contact us if necessary and provide any information you request.
